Jeeyar Integrated Vedic Academy, JIVA is a registered public society working in the field of Vedic science, Education and Public health. JIVA is registered under Andhra Pradesh (Telangana Area) Public Societies Registration Act-2001 with an objective to provide affordable health care to the society especially the underprivileged.

JIVA is inspired and blessed by Sri, Sri, Sri Tridandi Srimannarayana Ramanuja Chinna Jeeyar Swamiji, an acclaimed Vedic pontiff, with a remarkable ability to explicit Vedic traditions in universal terminologies. He is one of the most adorable and loved saint of modern era, spreading the message of “Universal Brotherhood and Well-being”.

Swamiji and JIVA trust are firm believers of Homeopathic science, its efficacy, safety, and cost effectiveness. In the view of advancing its objectives of service in health and education the trust has built and operationalized 80 bedded homeopathic hospital in the name of Jeeyar Integrative Medical Services (JIMS) on its campus in year 2013.

JIVA campus is spread over 50 acres and in its campus accommodates a Vedic Academy, DivyaSaketham, NetraVidhyalaya- to provide degree education to blind students and a Goshala to nurture and protect cows of Indian breed.

JET USA, INC. was established in 1994, in the State of Illinois, USA as, a Non Profit Organization that is organized and operated exclusively for charitable and educational purposes. Objectives of JET USA are to foster learning in ancient vedic scriptures, provide guidance and tools necessary for good living practices to individuals and families & provide philanthropic services locally, nationally, and internationally. At the moment JET movement has spread to Canada, Africa, United Kingdom & Australia.

Vikasa Tarangini, is a Non-Profit Service Organization established in 1992. There are more than 50 plus offices of Vikas Tarangini across India. Since its inception it took up many activities in which, thousands of volunteers rendered their invaluable services to the society. Organization works for environment & animal protection, promotes righteous living, facilitates understanding between different sections of society, provides help to poor and needy and implements community development projects.
IMS Homoeopathic Medical College & Hospital is a brainchild of Dr. J. Rameshwara Rao, a Chairman, My Home Industries. Dr Rao is a Homoeopathic Physician and Chairman, Governing Council of the college. He is an ardent follower of HHH Sri Chinna Jeeyar Swami.

Dr. Pavuluri Krishna Choudhary B.Sc, MBBS, FF HOM (London), former Principal „JSPS Homoeopathic Medical College, Hyderabad. He too is an ardent devotee of swamiji and is an inspirational figure for JIMS hospital.

JIMS Homoeopathic Medical College apart from conventional class room teaching and laboratory training, will focus on intensive clinical training through its fully functional hospital and outreach programs for the community to hone the core skills as homoeopathic physicians.

Modernizing and simplifying medical education is at the heart of JIMS. JIMS envisages use of Medical Education Technology to suave student experience while on or off the campus. Education Management Systems will help simplify the administrative processes for students and parents both.

Effective personal management and social skills are essential for any doctor to be successful professional. JIMS believes in imparting these concepts and skills through management programs customized for medical fraternity.

Extensive recreational and sports facilities to unwind oneself after a hard day at work will help the students and faculty maintain work life balance.

JIMS Homoeopathic Medical College & Hospital is located at Sriramnagar, Muchintala, Shamshabad Mandal, RR Dist. on a picturesque 11 acres of land. Campus is a close to Rajiv Gandhi International Airport, Hyderabad and well connected to the main city with excellent road network of Hyderabad- Bengaluru highway and Nehru Outer Ring Road.
